A WORD FROM OUR PASTOR

REMEMBRANCE

Luke 22:19-20 ¹⁹ And when [Jesus] had taken some bread and given thanks, He broke it, and gave it to them, saying, "This is My body which is given for you; do this in remembrance of Me." ²⁰ And in the same way He took the cup after they had eaten, saying, "This cup which is poured out for you is the new covenant in My blood."

The past month has been full of activity. This is not necessarily "new" here at Hoffman, for this is easily the most active congregation I have ever served. I normally do not spend much time on this page reflecting on what happened during the past month, for usually the next activities are well underway and I am rushing on to the next thing. Just last evening the youth and children's ministries combined for a Family Fun Night with nearly 90 in attendance to carve pumpkins, eat tacos and ice cream, and take silly selfie pictures throughout the building. I shared a couple quick snapshots in this month's picture.

At the beginning of the month, World Communion Sunday, I was blessed to serve so many of you at the altar rail. Following the services that day, our United Methodist Women hosted a carry-in dinner, which is so historically fitting on World Communion Sunday, as it helps solidify the meaning of Communion, that it isn't grape juice and bread, but being in "Community" with one another. Christians around the world shared in Holy Communion that day, and that is all about being one community in Christ no matter our geolocation. How marvelous it was then, to share in that moment, and have it followed by another moment of community in our Activity Center, as households from both serves dined together. During the meal there was an invitation to write God moments, God sightings on "sticky notes" and place them on a wall. Sightings shared included visits to shut-ins, meals delivered for others, and the sight of children taking part in Holy Communion, as the altar rail was full of children from the program practice taking part in this....remembrance.

One could say the sharing of Holy Communion is an act of community remembrance of One who changed everything for the world in general, and for us individually. While there may be those who don't need reminders, our culture is in a terrible hurry to move along and not look to the past. While God's Grace allows me to believe my past no longer defines nor condemns me, I also believe God's Grace has put many people on my path who taught me much about the faith. The people in my past are a part of why I am who I am today. I have to be honest that some of those influences have not been positive, but countless others have shaped my spiritual journey in positive ways.

One of the lessons from our Church Board study this year challenged us to write margins into our calendar so we have a chance to reflect, to celebrate, to learn from our various ministry events. If we are not purposeful to write this space into our lives, we risk staying merely "busy," and miss the God moments happening all around us. Those invited reflections during the carry in dinner were a small way we can stop, reflect and remember. Thank You to all who shared on those sticky notes, who helped me take a moment to stop and remember.

November grants us multiple opportunities to reflect, if we do not rush by it too quickly. We will be remembering Hoffman members, and extended Hoffman friends who have joined the church victorious over the last year as we celebrate All Saints' Day. We will receive and pray blessings over the Operation Christmas Child Shoeboxes as they are gathered and prepared for national and international deployment. On the back of this page is this year's pledge card, as we reflect upon what God may be calling us to invest in the work of Hoffman through our time and finances. My hope is we also all have a meaningful season of thanksgiving and remembrance in the coming weeks. With a grateful heart for all you do for God's Kingdom, I am,

In Christ's Service and Yours,

2 Corinthians 9:7 ⁷ Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

You should Never feel under compulsion to give or to serve, but we do want all to have the opportunity to invest themselves into our mission To Make Disciples of Jesus Christ for the Transformation of the world.

Our Pledge Cards have been redesigned for this year, and have multiple designated giving options, regarding time (week/month/year), and regarding designated giving. To help clarify, here are some Basic Definitions, as well as the corresponding words on the Register of Attendance and Offering Board in the Sanctuary:

General Fund ("Budget Need"): Our operations budget. It includes utilities, supplies, and staff salaries for the year. In recent years this has undergone many cuts. The 2020 budget is rising slightly for the first time since the 2017 budget. If **no** designation is marked, gifts and offerings are placed in the General Fund.

Missions: Our finances designated to help others. Church World Service (in Apportionments), District Mission Grants, Missionary Support, and some Local needs as we become aware of them.

Our Trustees manage the **Maintenance** and **Capital Improvements** line items, which focus specifically on the care of Hoffman facilities (and it would be much more difficult to fulfill our mission without our facilities). On the board in the sanctuary, "Building Fund" records both the Maintenance and Capital Improvement giving from the previous week. While Maintenance represents moneys to be spent on the repair and upkeep of our facility and property, our Capital Improvements are for larger expenses which can also be a repair or a replacement. Capital Improvement work at Hoffman in the last two years has included:

2018

- Replaced the parsonage furnace: \$3,680
- Replaced Activity Center A/C unit: \$8,400
- Replaced 3 Education Wing A/C units: \$19,000
- Replaced Education Wing Carpeting: \$7,192

2019 (to date)

- Replaced garage roof: \$5,400
- Brick mortar replacement/repair: \$7,975
- Replaced flat roofs on towers: \$24,984
- Tower Ceiling Repair (coming soon)

Thank you for all you already do to support the work and ministry of Hoffman United Methodist. This written pledge will allow you to contemplate what God is calling you to share and will also help our Finance Secretary prepare envelopes for your household's 2020 giving. While you will receive quarterly updates, the gift of Time will not be recorded, it is here for your contemplation of service, and you need not specifically list Time gifts.

We will receive the pledge cards in worship on November 17, as well as the Christmas Child Shoeboxes.

You may or may not be familiar with our local FISH organization. Many area churches help support its work in providing food and financial assistance to people in need in our community. Like many organizations, it cannot function without great volunteers.

FISH has a need for volunteers to take phone calls, ONE DAY a MONTH. They have a different volunteer for each day of the month, and that person takes the phone call, some information, and then calls the other volunteers that connect the resources to the need. The main job description is time (one day per month, such as first Tuesday, or 3rd Wednesday, or example), and the ability to take a couple notes so the resources are connected to the right person. This task really makes a difference, and helps keep the work light across many hands. If you have any questions, or if you would like to help with this ministry, please call Wendy Black at 937-875-1170.

Hello friends. Last month I introduced many of you to a ministry called The Voice of the Martyrs. This is a ministry for the persecuted church. I thought I may pass on some of the most hostile counties in which our brothers and sisters are risking their lives to spread the Gospel of our Lord. As you may guess North Korea is at the top of the list. If you are discovered being an active Christian or with a bible you will sent to a labor camp or killed on the spot. It is estimated that 300,000 Christians are secretly living out their faith and finding ways to follow Jesus. Number two is Afghanistan, where the most common punishment is death, or to be put in a psychiatric hospital and have your home destroyed. Many former Muslims that have accepted Jesus are in hiding. As you can guess most Islamic nations are extremely dangerous to be a believer, but the Gospel is still spreading in countries like Libya, Somalia, Pakistan., Iran and Iraq. One country that has become increasing hostile is India. The Gospel is spreading rapidly, which is good news, but it comes with a heavy cost. Church have been violently attacked, many who have said yes to Jesus have been denied water supplies or access to food. November 3rd is the International day of prayer for the persecuted church. Please consider praying on that day for our brothers and sisters in one of the countries mentioned who are paying the ultimate cost.

Thank you. Until he returns, Marijo Schlecht

Theda's Thoughts

Submitted by Theda Klepinger

In this season of Thanksgiving we are aware that unexpected blessings may come our way. For these blessings we praise God and remember His words in Isaiah 55:8-9 "For my thoughts are not your thoughts, neither are your ways my ways" declares the Lord. "as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts."

A Season of Thankfulness

Church family,

*I am EXTREMELY thankful for the
love, support, and prayers that you
have provided for the youth and
my family.*

It is hard to believe that only two more months of 2019 are left! 2019 has been a great year for Ignite and there are still some things left to do.

In November we will be taking our annual trip to Dollar General and packing shoeboxes for **Operation Christmas Child**. The youth have really enjoyed this event the past few years. Our goal is to pack 30 boxes! **If you would like us to pack a box for you, let us know!**

We are in the middle of a 9 week series on the book of Ephesians. After watching a short Right Now Media clip, we spend time discussing the scripture and its implications to our lives.

Board Meeting Highlights

Devotions

Dick Martens, "The Helper," by Katherine Marshall

Meeting Attendees

Dick Martens, Katie Poling, Les Trittschuh, David Jay, Cindy Johnston, Carol Storer, Richard Smith, Patti Wion, Julia Circle and Pastor Robbie Scott

Mission and Ministry

Becky reviewed the success of the summer children's events, including Lunch Bunch, Children's Church, and VBS. Plans for the fall and winter include Family Fun Night on Oct 27 and Christmas Program on Dec 15. VBS 2020 is scheduled for July 19-23

Bulldog Bags

Bulldog Bags started the year with 270 children, but then preK was added which brings the need to \$56,000 for the year.

Pastor's Report

August average attendance was 154. The baptism at the river went very well. Special thanks to Jim Sarver for the use of the site and for creating a new path to the water due to a downed tree.

Pastor Robbie has added responsibilities to the Conference and District this fall, as he attended a required REF training retreat (Reflecting, Equipping, Flourishing), and will be presiding over 4 Charge Conferences in Shelby County. Recovery from knee surgery is going well, especially with the less serious procedure than expected.

Finance

The finance report for August was reviewed and accepted. Finances in the general fund have improved, and we are slightly ahead of this time last year. We are up to 5.5 weeks of operations in our general fund (Hoffman bylaws recommends 8-12 weeks of operations).

Nominations

The church board happily voted for Julia Circle to step from her At-Large position to fill the office of Secretary.

Staff Parish Relations

Staff Evaluations are underway. The Conference has designed a new pastor evaluation form. Cindy and Carol attended a training to help with the process.

Board Study

The board continues to study the book, "7 practices of Effective Ministry". This month we discussed "replacing yourself". If we fail to replace ourselves we will force out talent, cause potential leaders to exit, stifle insight, hinder recruiting, and limit growth. Three steps to better "hand it off" are to break it down, hand it off, and let it go.

Trustee Update

The tower roofs are in the process of being replaced; including brick work and water sealing. There is a list of projects the trustees would like to do. These are on hold until the ceiling repair is complete. The Trustee accounts are down to \$6,300. Sealing brick for the whole church is one of the projects on the horizon.

The stained glass is a looming project. One company has evaluated the windows, and our large attic window facing Main Street is in need of a full restoration. Together with work on the remaining windows, a large capital campaign may be necessary in the future.

Non-Agenda Items

Church security was discussed, including methods to communicate to the church what efforts are made for congregation and child safety. Also, our CPR training from two years ago is about to expire. Jim and Belinda Wright will be scheduled for the training.
